

Feedback on SpeakGenie App

I explored the SpeakGenie app and found several features that I really enjoyed:

- **Quiz Generator:** The quizzes are engaging and help reinforce learning in a fun way.
- **Word Games:** These are interactive and make practicing vocabulary both enjoyable and effective.
- **Audio Stories:** The audio stories are creative and immersive, making language learning feel natural and entertaining.

Overall, the app provides a great mix of interactive learning tools that make practicing English enjoyable and effective. I appreciate the thoughtful design and variety of activities offered.
